

2006 NMMS "Bill Jarmie" FORAY in LOS ALAMOS

Also known as the "WOW" foray

Kristi Beguin & Sparassis Crispa

Amanitas by Billy Stone

Rosalind Lustig & Boletus edulis

Mother earth's bounty had us all in awe. The quantity and variety of fungi was truly impressive.

Ann & Andrew with identification headaches

Walt Sundberg sharing tips & knowledge

Susan Stravato
"WOW—so much to learn!"

For the Lustigs it is a family affair

Mopsy & Nate—nice t-shirts!

Bruce Trigg admiring the find

"shroomin' sisters" Ann & Sharon

Steve Trudell hard at work

Sharon Chong & Vera Evenson
